

General

This Privacy Policy (this "Privacy Policy") governs your use of the software application under the title "Sudoku" for mobile devices (hereinafter to be referred to as "App") that was created by our team (hereinafter - "we" or "us"). The App is classic sudoku game. The following policy describes what information we collect and how it is used and shared.

This Privacy Policy may be updated from time to time for any reason. We will notify you of any changes to our Privacy Policy by posting the new Privacy Policy here and/or informing you via email or text message. You are advised to consult this Privacy Policy regularly for any changes, as continued use is deemed approval of all changes. If you do not accept the terms of the Privacy Policy, we ask that you do not use the App. Please exit the App immediately if you do not agree to the terms of this Privacy Policy.

Automatically collected information

In addition, the App may collect certain information automatically, including, but not limited to, the type of mobile device you use, your mobile devices unique device ID, the IP address of your mobile device, your mobile operating system, the type of mobile Internet browsers you use, and information about the way you use the App.

Automatic data collection and advertising

We may work with analytics companies to help us understand how the App is being used, such as the frequency and duration of usage. We work with advertisers and third party advertising networks, who need to know how you interact with advertising provided in the App which helps us make the App experience better. We may also share encrypted versions of information you have provided in order to enable our partners to append other available information about you for analysis or advertising related use.

User data

You agree that in order to provide services to you which you have requested including relevant content and advertising, we may exchange information that we collect from you with third parties who help us perform these tasks and provide these products and services including OpenUDID, Advertising Identifier, Advertising ID, vendor ID for iOS platform, Mac address, IMEI, information about your device systems, application software and peripherals, and the country setting on the device.

Children

We are committed to protecting the privacy of children. The App is not intended for children and we do not intentionally collect information about children under 13 years old.

Security

We are concerned about safeguarding the confidentiality of your information. We provide physical, electronic, and procedural safeguards to protect information we process and maintain. For example, we limit access to this information to authorized employees and contractors who need to know that information in order to operate, develop or improve our Application. Please be aware that, although we endeavor provide reasonable security for information we process and maintain, no security system can prevent all potential security breaches. You understand and acknowledge that the submission of any such information by you via the Internet or posting it on non-public (restricted or private) pages is at our own risk.

Third Party Links

Although the App may contain links to third party websites or services, we are not responsible for the privacy policies and/or practices on those third-party websites or services. Please understand that this Privacy Policy applies only to information we collect from you. Where we have linked to a third-party website or service, you should read the privacy policy stated on that third-party website or service.

Changes

This Privacy Policy may be updated from time to time for any reason. You are advised to consult this Privacy Policy regularly for any changes, as continued use is deemed approval of all changes. Any changes made to our privacy policy will be published on this page, containing the "last updated" date.

Your consent

By using this App, you are consenting to our processing of your information as set forth in this Privacy Policy now and as amended by us. "Processing," means using cookies on a computer/hand held device or using or touching information in any way, including, but not limited to, collecting, storing, deleting, using, combining and disclosing information.

Contact us

If you have any questions regarding privacy while using the App, or have questions about our practices, please contact us via email at inquiries.sudoku@gmail.com.
